This list of substitutes has been pre-approved by the League for your convenience. You are required to find your own sub when you are unable to play. You can contact someone on the list that may better match your Flight's handicaps or you can submit a request on the League's web site and our webmaster will broadcast it to all of the above substitutes. Here is how it works:

- 1 Go to our web site www.westvillerotarygolf.com.
- 2 Click "REQUEST FOR SUB PAGE" at the top of the page.
- 3 Fill in the "REQUEST FOR SUB FORM" and click submit.
- 4 The first sub that responds to the Request and "Replies To All" will be the sub for that event and the webmaster will notify the sub who he will be playing. Please be at the course and ready to play between 3:45 and 4:15.
- 5 The player that is requesting the sub will know by the "Reply To All" who is subbing and as a courtesy should inform his opponent who the sub will be.
- 6 This should not be used for a last minute request. Please send requests at least one day in advance or find your own sub.
- 7 Please call you opponent if unable to find a sub so they don't have to wait around. They will play the Flight's Ghost.
